SIKA ALBANIA ANNOUNCES APPOINTMENT OF NEW COUNTRY MANAGER

Sika Albania, part of the global Sika group of companies, has appointed Blerim Morina as Country Manager.

Sika is a leading provider of solutions for the construction industry, with a strong focus on technical customer support and technologically advanced products. Its systems and solutions have been used on world famous construction projects across the globe.

As part of the company's commitment to employee development, Sika has a strong focus on promotion from within and is very pleased to announce Blerim Morina as the new Country Manager for Sika Albania and the Sika sales territory of Kosovo.

Blerim joined Sika Serbia in 2014 and has achieved notable results, excelling in the area of business development and market penetration. Blerim comments; "I'm looking forward to taking on this new challenge and bringing my skills and expertise to Albania and Kosovo. I have always enjoyed working closely with customers and I hope to build strong relationships with our customers in this area."

Sika Albania is part of Sika's Area Europe East, led by Ileana Nicolae, and Kosovo is a sales territory of Sika Albania. Customers in both countries can benefit from the excellent customer and technical service provided by Sika in 100 countries around the world, as well as access to market leading products and a wide range of construction solutions.

Sika AG Corporate Profile

Sika AG, located in Baar, Switzerland, is a globally active specialty chemicals company. Sika supplies the building and construction industry as well as manufacturing industries (automotive, bus, truck, rail, solar and wind power plants, facades). Sika is a leader in processing materials used in sealing, bonding, damping, reinforcing and protecting load-bearing structures. Sika's product lines feature high-quality concrete admixtures, specialty mortars, sealants and adhesives, damping and reinforcing materials, structural strengthening systems, industrial flooring as well as roofing and waterproofing systems. Worldwide local presence in 80 countries and some 15 200 employees link customers directly to Sika and guarantee the success of all partners. Sika generated annual sales of CHF 4 829 million in 2012.
